Dear Ms. Lauver:

Enclosed are the Nevada Bureau of Child, Family, and Community Wellness, Title V Report and Annual Plan for Federal Fiscal Year 2010. The report summarizes the Health Division's efforts in support of the health, safety and development for Nevada's women, children and families. This has been a pivotal year for the Health Division and the Title V program. The Health Division was reorganized to evolve with these changing times.

The Title V program was formerly located in the Bureau of Family Health Services and was merged with the Bureau of Community Health now known as, the Bureau of Child, Family, and Community Wellness (BCFCW). This bureau consists of integrated programming, housing Title V, WIC, Immunization, Oral Health, Chronic Disease, and Communicable Disease. Maria Canfield is the Maternal and Child Health (MCH) Director, and the BCFCW Bureau Chief.

The Health Division is looking forward to the August MCH Block Grant review in San Francisco. If you should have any questions please contact Debra Wagler, Health Program Manager, BCFCW, at (775) 684-3479 or email [dwagler@health.nv.gov](mailto:dwagler@health.nv.gov).

Sincerely,

A handwritten signature in cursive script that reads "I have a letter for R Whitley".
